All grades posted on the transcript will conform to the following. Grades will not be changed once recorded properly with the exception of Incomplete (I) grades, calculation/recording error, or as necessitated by the outcome of student grade appeals.

**Application of Policy**

This policy applies to all UNTD enrolled students, excluding the College of Law.

**Definitions**

**Designations that do not earn grade points and are not used for the calculation of grade point averages:**

6. Grade of P – passed; an academic credit grade (1) on pass/no pass option, (2) on student teaching, (3) in selected undergraduate and graduate individual problems, research or thesis courses. Meets course requirement for graduation. Refer to Pass-No Pass Policy.
7. Grade of NP – not passed; a failing grade on the pass/no pass option; non-punitive. Refer to Pass-No Pass Policy.
8. Grade of I – Incomplete; non-punitive. Refer to Incomplete Grade Policy for more information.
9. Grade of W – Withdrawal without penalty. Given when a student drops a course or officially withdraws from UNTD within adherence of the Withdrawal from UNTD Policy.

**Grade point averages are calculated as follows:**

10. The semester grade point average (GPA) is calculated by dividing the total number of grade points by the total semester credit hours attempted. A grade of I is not calculated into semester, program and cumulative GPAs until the work is completed and a final letter grade is awarded. A grade of I will not impact the academic standing for the term and will not retroactively change the academic standing once a final grade is awarded.
11. The cumulative GPA (CGPA) is calculated by dividing the total number of grade points accumulated at UNT Dallas by the total credit hours attempted. Refer to the Course Repeat catalog policy for more information about how this may impact CGPA calculations.

12. The program GPA (major, minor, certificate) is calculated by dividing the total number of grade points for any course that counts to the program accumulated at UNT Dallas by the total credit hours attempted for the program courses.

13. The CGPA is utilized to determine eligibility for the academic standing status, graduation, Dean’s and President’s List candidates, graduation, graduation honors, etc.

14. Students must have a minimum cumulative GPA of 2.00 to graduate with an undergraduate degree and 3.00 to graduate with a graduate degree.
